Dear Sir or Madam,

With a strong desire to further my knowledge and an aptitude for learning, I am an excellent candidate for this position. My experience has provided me with the innovative and technical skills necessary to successfully do your test task and further work in this area.

Briefly about me:

- Graduated from ITMO University in Computer Science this summer
- Working as machine learning engineer in JetBrains for a year
- Have experience in Computer Vision and Deep Learning due to my bachelor's thesis "Detailed segmentation of a human image and generation of a new image"
- In love with hackathons

It would be a pleasure to learn more about your position, and I would welcome the chance to show my knowledge in machine learning and data science.

I appreciate your consideration of my application for this position. I look forward to hearing from you.

Yours faithfully,

**Taisia Penskaya**
